Memorandum.

F. H. WEBB,
100 Warren Street,
Hudson.

As time passes, and the taste of the people becomes refined and elevated, there is no art that attracts more attention than music. * Forty years ago a Piano in the house of a mechanic was a wonder, a piece of extravagance that was considered folly. * * * Now, however, in the house of every well-to-do mechanic, and especially one who has daughters, there is to be found a Piano. This is as it should be, for music renders home cheerful and happy, and takes away the desire to seek pleasure elsewhere. * * This is the effect, and the cause is to be found in the energy of the firm of Cluett, Sons, of 49 State Street, Albany, who have done so much to make music popular. * * They were the pioneers of trade in Albany, 30 years ago, and we now find them at the head of the largest establishment of the kind in the State, with the Sole Agencies of the Best Pianos and Organs in the world. * * Let everybody who is fond of music go to Cluett, Sons, and see how easy it is to obtain a Piano or Organ.
